Subject: Our talking point for EPA's discretion in approving/denying the AE ~Deliberative ~ Pre-Decisional ~
Attachments: Talking Points for October 2 OST Meeting.docx

The attached talking points address the questions Councilwoman Cora White Horse asked EPA at the end of our Aug 28 meeting. (Lucita, I provide the talking points only for background – you do not necessarily need to review them.) In prep for our Oct 2 OST meeting, I pulled the paragraph below from the RTC to have this info in reserve in case the Tribe asks about EPA's discretion for AE denial.

Would you look this over, please, to be sure I selected the info that best captures the point we were making in the RTC. Thanks!
